

EXAM PREPARATION FOR IIBA ENTRY CERTIFICATE IN BUSINESS ANALYSIS (ECBA)

COURSE OVERVIEW

ECBA training is the first level of business analysis training and is designed to help participants learn the fundamentals of business analysis. This comprehensive training will prepare participants to pass the ECBA exam and help making the most of the limited time they have for studying. The course is aligned with the Business Analysis Body of Knowledge (BABOK® Guide version 3.0) and includes sample exam questions to prepare you for the ECBA Exam.

TARGET COMPETENCIES

- Business Analysis & Key Concepts Overview
- Business Analysis Knowledge Areas
- Strategy Analysis
- Analytical Thinking and Problem Solving
- Communication and Interaction Skills

COURSE OBJECTIVES

By completely attending this course, participants will be able to:

- Introducing the business analysis best practices
- Increase participants' confidence and improve their chances of passing the ECBA® certification exam.
- Streamline the massive amounts of information required to pass the test.
- Practicing exam questions to keep participants engaged and aid in their retention and learning.

TARGET AUDIENCE

Professionals looking to achieve the Entry Certificate in Business Analysis (ECBA®). People looking to change their career into business analysis. New business analysts or people aspiring to enter the BA field.

MATERIALS

Participant will receive the following materials:

- Electronic copy of BABOK v3.0
- Study Guide Notes
- Knowledge Check for all modules
- Practice Tests

COURSE METHODOLOGY

The course workshops are conducted in an engaging environment where participants are encouraged to participate in individual and team activities to promote learning, build team morale and reinforce understanding of concepts.
